RESIDENTIAL COMMERCIAL NEW RENEWAL

The energy savings agreement program is designed to check, clean, and maintain your comfort system to promote reliability, safety, and efficiency. The program establishes inspection criteria for the complete analysis and performance check of the system at all points that would systematically wear and tear due to age and operation.

NOTES:

We agree to provide you with a complete precision tune-up and professional cleaning for Spring & Fall for your air conditioning & heating equipment as per manufacture requirements. Our goal is to protect against major break downs by the recommendation of replacing common wear parts and thus eliminating unexpected losses of comfort. Agreement customers receive a 10% discount on repairs needed during contract period. Agreement customers will be contacted for an appointment to schedule maintenance. If you would like your tune-up before we schedule you, feel free to call in advance and we will schedule you at that time. Thank you for your trust in us to provide you this valuable service. Regulated By The Texas Department Of Licensing & Regulation P.O. Box 12157 Austin, TX 78711 (800)803-9202 (512)463-6599
